6. New / Other Business

- 6.1. Fireworks Update – Out contractor is requesting \$18,000.00 to provide a show equivalent to 2022. Motion by Richard Sirna, seconded by Gary Delamielleure, to amend the 2023 fireworks budget from \$15k to \$18k. Motion passed.
- 6.2. Goose Control Review – Egg harvesting and nest destruction are now required activities to apply for goose removal. Due to Avian Flu there will be no removal this year. RLI removed 11 eggs from nests under our permit.
- 6.3. Weed Control Review – See the website for scheduled treatment dates. The main lake treatment will occur on 6/14.
- 6.4. Cove Dredging Update – Dean provided the update. Using a shore based excavator the original cost for dredging was reduced from \$49k to \$19k. As a result, the project is currently under budget (budget is \$50k, spend is ~\$38k). Grading and restoration of the ramp lot will be completed over the summer. The culvert exit crossing under Walnut Shores Drive to the cove was also dredged and will likely require maintenance dredging every 5 years.
- 6.5. Island Dock Improvement Update – Repairs are expected to start in early June, depending on weather.
- 6.6. Other Business from Members
 - 6.6.1. A motion to move future meeting dates to the 2nd Friday before holidays was introduced and approved by the membership.
 - 6.6.2. A motion to establish a committee to explore an automated boat ramp gate for a vote during the fall meeting was defeated. The RLI board will discuss and review options. If a committee is formed Roxane Kaye and Gary Delamielleure would like to be included.

- 6.6.3. A motion to obtain bids to redesign the website was defeated. Other design options are being considered, but website designs are highly subjective, and the current RLI site is self-administrated and free other than hosting fees.
- 6.6.4. Lengthy discussion regarding concerns about the continued increase in the number of wake surfing boats on Runyan Lake, hours of use limiting enjoyment of the lake by others, near misses, and shoreline damage resulting from wake surfing boat wakes. RLI has limited options other than communication with boat owners, which has been successful previously. Near missed and dock or shoreline damage should be reported to the Livingston County Sheriff if legal action is desired. RLI Board to consider general communication to the Membership.

2022 Audit Committee Report

Runyan Lake Inc. 2022 Financial Review

At the fall 2022 Runyan Lake Inc (RLI) meeting, a request was made for volunteers for the RLI financial review committee. The purpose of this committee is to review the financial reports of RLI. This review is in lieu of a complete audit, with the understanding that if questions arose during the review, a report would be made to the board of RLI requesting additional action.

Three volunteers were selected for the financial review committee, Robert Coffin, Dan Cypher and Kevin Pritchard. None of these are on the RLI board OF trustees.

In February of 2023, the treasurer of RLI, Ivan Quinn, emailed copies of the financials for the year ending 2022 to all three volunteers.

After reviewing the documents and through our discussions with Ivan any questions we had, we the undersigned agree with and find no irregularities with the financial reports as submitted.

The opinion of the committee is that based on our limited scope review, is that we do not see a need for a full audit.
