Michigan Boating Laws

Age Restrictions

Persons less than 12 years of age:

- May not operate a boat powered by a motor of more than 35 hp legally under any conditions.

Persons 12 to 15 years of age:

- May operate a boat powered by a motor of more than 6 hp legally only if they:
 - Have passed a boating safety course approved by the Department of Natural Resources and have on board their boating safety certificate or...
 - Are accompanied on board by a person at least 16 years of age.

Persons 16 years of age or older may operate any boat on the waters of Michigan. See stipulations for Personal Watercraft (PWC) below.

Personal Watercraft

- Those less than 14 years of age may not legally operate a PWC.
- Those 14 and 15 years of age may operate a PWC legally only if they have obtained a boating safety certificate and...
- He or she is accompanied on board by his or her parent or legal guardian or by a person at least 21 years of age who has been designated by the parent or legal guardian or...
- He or she is operating or riding the PWC at a distance of not more than 100 feet from his or her parent or legal guardian or from a person at least 21 years of age who has been designated by the parent or legal guardian.

Those at least 16 years of age and born after December 31, 1978, may operate a PWC legally only if they have obtained a boating safety certificate. Those born on or before December 31, 1978, may operate a PWC legally without restrictions.

It is illegal to operate a PWC during the period that begins at sunset and ends at 8:00 a.m. "Sunset" means that time determined by the national weather service.

100 Foot Rule

Please remember to observe the 100 foot rule – if your watercraft is moving fast enough to create a wake you must stay at least 100 feet from the shore or any boat, dock, or raft. You are responsible for damage from your boat's wake

Runyan Lake Navigation

Please reference the recommended lake navigation map on our website. If you are new to the lake, there will be two buoys located at each sandbar. To avoid hitting the sand bar do not operate your watercraft between the two buoys unless you are at slow/no wake speed and have trimmed up your motor.

Wake Surfers – Please use the areas identified on the navigation map when possible to minimize damage to shorelines and docked watercraft. If there is no other traffic on the lake it is suggested you use the identified areas bi-directionally. Please be aware your boat wake is large and can cause stability issues for smaller watercraft such as kayaks and peddle boats. The island dock is also taking a beating so that area should be avoided when possible.

Ski Course – The ski course is for use by slalom skiers, and for skier safety is used only during calm water conditions and when no other boat traffic is on the lake. On weekends this is typically from 6:30 am until 9:00 am.

Fair Warning!

Runyan Lake may be a private lake but it remains under the jurisdiction of the State of Michigan. The DNR and Sheriff have keys to our boat ramp and can access Runyan Lake at any time to enforce State of Michigan boating and fishing laws. Runyan Lake Inc. Bylaws require compliance with State of Michigan boating regulations, including having your boat registered with the state. We encourage you to confirm your boat registration is current. Please boat and fish legally and responsibly!

Pontoon Bow Riding

Riding on the front (bow) of a pontoon while under way is both illegal and extremely dangerous. If someone falls overboard the odds are they will be severely injured or killed. Please consider the safety of your family and friends by not allowing this behavior on your pontoon.

Boating Safety Reminders

PWC riders MUST wear life jackets and be off the water by sunset! No towing of surfers/skiers or tubing is permitted during the period of 1 hour after sunset to 1 hour prior to sunrise!

Island Etiquette

A dog waste station was previously installed but dog waste has become a large issue. RLI is now considering excluding dogs from the island and will propose amending the island use policy during the fall general membership meeting. Please show some respect and clean up after your dogs! For safety reasons no glass is allowed on the island!

Ezra Eisinger & Emilia Justice

Thanks to Erik and Doug Smith, owners of HSP Imaging Inc., for suppling trophies and donations for daily prizes. Thanks to Joe Trollman for donations of daily prizes and fisherman specials.

Weed Control

Aquatic weed control treatments were provided by Aqua-Weed Inc. this year. Treatments were applied on June 13th and July 27th. More details are available on our website.

Purple Loosestrife Alert

Purple Loosestrife is in season! If you see and can access the invasive plant Purple Loosestrife (spikes of purple flowers), please cut off the blooms and bag them carefully in a plastic garbage bag. Tie up the bag and place it in your trash. One plant has millions of seeds that will fall if not removed. This invasive plant will choke out native plants. Please see our website for more information and pictures.

Goose Control

No Geese were removed from the lake this year due to the Avian Flu. Management was limited to spring egg harvesting. If you are having Goose issues and are interested in continuing Goose control please be sure you have signed the petition!

Water Quality

Testing for E. coli bacteria was performed on June 21st. Bacteria counts were less than the state of Michigan public health standard for total body contact recreation, such as swimming. Detailed test information and test locations can be found on our website.

Boat Ramp Use

- There are no set open hours for the boat ramp. Please call one of the area trustees to make an appointment. **Leave a message if there is no answer.** Please provide at least 24 hours advance notice so we can schedule boats together when possible. Thank you.
- In order to use the RLI boat ramp, our boat ramp use policy, consistent with our Bylaws is:
 - Your RLI annual dues must be paid for all lots owned;
 - Watercraft must be titled to Runyan Lake riparian property owners or their renters; (State and local law)
 - Your state of Michigan watercraft registration must be current and displayed on the watercraft; (State law)
 - A 2022 RLI boat sticker must be present on the watercraft;
 - An RLI liability waiver should be on file.
- Watercraft and trailers must be clean if coming from another water body to minimize risk of introducing invasive species. Please require any marina or trailer service you utilize to do the same. **This is State law effective 2019! Please protect your lake!**
