**Subject:** Runyan Lake Inc.: RLPPOA Refuse Collection Service Change

To all RLPPOA Members:

Please be advised of the following change to our refuse collection service. We know this is not the day many would prefer but we no longer have leverage or influence to choose a day. We continue to receive a very competitive rate for this service.

Dear Neighbors:

We have been notified by Republic Waste Management that **effective the week of October 18 our pick-up day will change from Tuesday to Thursday. This will make our day that week Thursday October 21st and continue on Thursdays thereafter.** They report that this change is a company wide effort to adjust their routes and improve their overall service reliability. Improved reliability is something we can all support especially after the last year of inconsistency in the recovery process.

Just as a reminder yard waste pick-up runs from April 1st through November 30th.

Hope everyone enjoys a great Michigan fall season.

Hugh Armbruster  
RLPPOA President
